A Word to Base-ball Players.

The base-ball players who constitute the rival clubs of Bloomfield and Watsessing should remember that the general public are more interested in a good game of base-ball than in a disgraceful "scrapping match." A spirit of rivalry is creditable and adds zest to the game, but it is a rivalry as to which club can do the best base-ball playing that the majority of spectators enjoy. The noisy and rowdyish bickering over rules and technicalities is very tiresome to those who attend simply to see a game of ball. constant disputing over decisions of the umpire is also disgusting to the majority of spectators. Respectable people will stay away from the games of these rival clubs unless a reform in the management of the game is speedily instituted. There is no doubt but that the members of both clubs would be delighted to see a number of ladies among the spectators of their games. But it may be asked if they can candidly pronounce this exhibition decent enough for ladies to attend; scrapping, swearing, and fighting are exceedingly distasteful to ladies. But on the contrary, those rowdyish features of athletic sport are the delight of the rag-tag and bob-tail of society, and if those two clubs continue on their present course it will only be that class of society who will attend their games.

Another unpleasant feature of the games between those two clubs is the excessive degree to which "coaching" is carried on. Coaching is a legitimate part of the game, but it is not necessary that the coacher make an idiot of himself. It will be to the financial and social profit of both clubs to play such games as will attract respectable audiences, who will be willing to contribute towards the expense of conducting them. Nothing is to be made by playing to the rag-tag and bob-tail. That element never contributes a cent towards a game, and only tends to keep respectable people away.

The Bloomfield Cyclers.

On Labor Day the Bloomfield Cyclers enjoyed a club run to Sloatsburg, N. Y. This afternoon's run will be to Paterson by way of Belleville and Passaic. After supper at Paterson the return will be by way of Brookdale.
